Dear Dana:

I'd like to thank you for taking the time to be a guest of the KUSI Morning Show. Your expertise is invaluable in helping us to keep our viewers informed and up to date regarding issues of both a local and national nature. KUSI takes great pride in San Diego and likes to recognize the contributions of its citizens and businesses and also welcomes the insight and opinions of professionals from all parts of the country.

I thought you'd appreciate having a tape of your portion of the show as a reminder, along with our thanks for your time and effort.

Sincerely,
